The image shows a screenshot of a Padlet board titled "PCB Project". The board has a dark purple background with a faint silhouette of a crowd of people with their hands raised, suggesting a concert or event. At the top left, it says "Padlet" and "진혁리 · 1분". The title "PCB Project" is centered above the board area. Below the title, there is some very small, illegible text that appears to be a URL or a series of characters. The board itself contains several white rectangular cards arranged in a grid-like pattern. Each card has a title, a content area, and a "댓글 추가" (Add Comment) button. One card in the bottom row is highlighted with a yellow border. On the right side of the board, there is a vertical column of icons for sharing and managing the board. A large orange circle with a white plus sign is located in the bottom right corner of the board area.
